

Arthur Blake Memorial Trophy Gala

The club's usual end of season gala saw some excellent swims from both of our teams as all of the swimmers involved were determined to give their all both in the pool and out as we experienced some outstanding team support from the very first race until the trophy presentation.

At the end of the evening the ADSC Yellow Team ran out worthy winners, securing 20 victories out of the 30 races. Amongst many excellent performances special mention must go to the boys Under 16 Freestyle Relay Team (Josh, Zac James Crawford and James Phillips) who took off half a second from the club record that was set in the summer! Along with Dan who broke the club record in his first leg of the 4 x 100m freestyle and Millie who broke a club record that had stood for nearly 10 years in her first leg of the 4 x 50m freestyle relay.

A huge thanks to all of the swimmers, parents, volunteers and officials for making the gala successful and especially to Anna, Chris, Ellen, Heather and Vicki for organising over 60 swimmers to be in the right place at the right time!
